## A VOYAGE UNLIKE ANY OTHER

A voyage with Seabourn is beyond anything you've experienced before. It begins on board your intimate Seabourn ship, where our award-winning blend of luxurious accommodations, genuine personal service and superb dining create a transcendent journey. Your onboard life provides the foundation for days of discovery in the world's most desirable destinations. Along with a group of like-minded travelers, you'll sail to the heart of iconic cities and to secluded locales in search of experiences beyond the ordinary. At the end of each glorious day, you're welcomed back to your ship, where you'll share your day's adventures and dream of the wonders tomorrow has in store.

This is what it means to cruise, Seabourn style.

# SAILING WITH SEABOURN

You'll feel the difference from your first moment on board. The warm smile and chilled glass of champagne that greet you are just the first of many exceptional moments ahead. Awaiting you are spacious, all-suite accommodations, exquisite cuisine, and fine wines and spirits served at any time — paired with a level of dedicated service that makes each moment effortless.

Sailing with Seabourn is like joining a private club, where you're always among old friends. Nowhere is this more noticeable than in the camaraderie you'll forge with your fellow travelers. Like you, these are people who seek out life's greatest treasures and enriching experiences.

Above all, the essence of Seabourn exists in the distinctive *Seabourn Moments* and personal touches that make every day a special event. Whether it's our signature *Caviar in the Surf*®, a well-timed refreshment as you relax poolside or the bartender who remembers your favorite drink, these are the reasons why our guests continue to honor us with their highest accolades. And why so many of them return time and time again.

## — DISCOVER THE DIFFERENCE —

In our opinion, the best way to see what sets us apart is to join us on board. You'll quickly come to recognize the advantages of sailing with Seabourn — in-depth exploration, unrivaled service and dining, and a friendly, social atmosphere aboard your luxuriously-appointed ship — and you'll discover firsthand why the savvy readers of both *Travel + Leisure* and *Condé Nast Traveler* magazines have recognized us as the World's Best Small-Ship Cruise Line.

## Seabourn Pride, Seabourn Spirit and Seabourn Legend

Our 104-suite ships elegantly blend the atmosphere of a private yacht with rich facilities and abundant amenities. On board you'll find outstanding dining venues, inviting lounges with open bars and superbly appointed all-suite accommodations. The intimate setting fosters a growing camaraderie with your fellow travelers and the crew — helping you feel that you are among long-time friends from the very first day.

## Seabourn Odyssey, Seabourn Sojourn and Seabourn Quest

Our 225-suite ships provide an impressive amount of space per guest — allowing for added amenities while upholding the warm and welcoming atmosphere that is our hallmark. Each ship has our signature restaurants, open bars and lounges. We use the generous proportions to accommodate more innovative features, including a private veranda in nearly every suite, two outdoor pools, Seabourn Square — featuring a specialty coffee bar, library, and computer center — and an opulent two-deck spa — the largest in ultra-luxury cruising.

## THE SEABOURN DIFFERENCE

### **Intimate ships with just 104 or 225 suites.**

A Seabourn ship is like a private club, where members share expansive open decks, inviting social spaces and the personalized attention of an exceptional crew.

### **Unique itineraries to must-see cities and hidden gems where larger ships can't go.**

Each cruise is a hand-picked collection of fascinating places, and each day brings a new opportunity for authentic discovery — another chance to explore your world in a personal and meaningful way.

### **Intuitive, gracious service provided by a staff passionate about pleasing our guests.**

It is supremely relaxing to be looked after by thoughtful hosts, whose knack for anticipating what you might like borders on the clairvoyant.

### **Spacious, all-suite accommodations with sweeping ocean views — many with verandas.**

Seabourn suites are thoughtfully appointed and inviting, designed as homes-away-from-home with room to unwind or entertain.

VERANDA SUITE

**Open bars throughout the ship, and fine wines poured at lunch and dinner.**

Meet and mingle with fellow guests in a carefree atmosphere, where no one has to pick up the tab.

**All dining venues are complimentary — dine when, where and with whom you wish.**

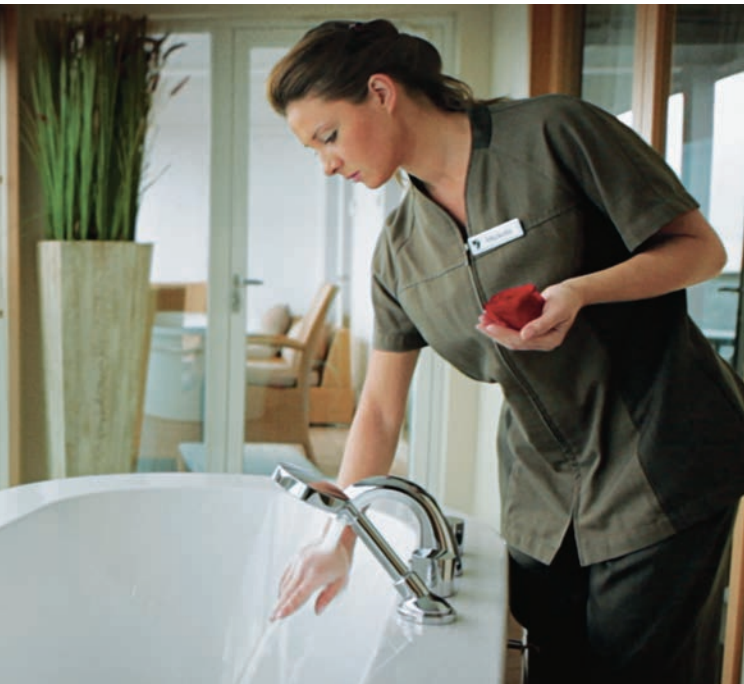

From casual to elegant, indoors, al fresco or in your suite, a range of choices invites you to be spontaneous.

**Gourmet dining experiences that rival the finest restaurants anywhere.**

From French fries to foie gras, every dish served on Seabourn receives the expert attention of highly skilled and imaginative chefs. The finest ingredients are selected with care, perfectly prepared to your order, and served with pride.

**Complimentary welcome champagne and in-suite bar stocked with your preferences.**

Soft drinks, beer and mineral water, complete glassware and your favorite wines or spirits are ready for your enjoyment or for entertaining.

## GRACIOUS SERVICE

With virtually one staff member for every guest, exceptional service is always close-at-hand on board a Seabourn ship. And yet the numbers, while impressive, don't tell the whole story.

Our award-winning service is delivered by a group of carefully selected professionals, recruited from the world's finest hospitality schools, hotels, restaurants and resorts. For them, service is a lifelong calling to be practiced and perfected every day.

Perhaps that's why they take such delight in not simply meeting your expectations, but anticipating and exceeding them. Whether it's wading out into the surf to offer you fresh caviar and chilled champagne, or drawing you a calming bath after a day spent exploring ashore, they'll make you feel right at home — even when you're halfway around the globe.

For these exceptional professionals, the reward is not a tip, but rather the pleasure of knowing they've helped make your voyage an experience you'll remember forever.

RESTAURANT 2

## AWARD-WINNING DINING AT SEA

When you sail with Seabourn, it's as if the world's finest restaurants have accompanied you on the journey. Every meal is first masterfully prepared by our highly skilled chefs, and then presented with pride and an unerring sense of style by a staff who know that fine dining is about more than simply eating.

Relaxed, open-seating dining invites your spontaneity. Your Maître d' will seat your party when you arrive. Then open your menu and discover a tempting array of masterworks to match your appetite. Every course offers options ranging from fanciful inventions to seductive simplicity. Impeccably fresh fish, delicately poached in a ginger broth, or a succulent, aged and perfectly grilled

Start your day with an invigorating workout in our fitness center, with cardio and resistance equipment. Strengthen your core with a Pilates class or restore your spirit with early-morning yoga on the deck.

Later on, peruse the collection in our onboard library and attend a fascinating port lecture to deepen your knowledge and insight of your journey. Head out on deck for a complimentary *Massage Moment*. Or retreat indoors and pamper yourself further with a revitalizing spa treatment.

On many voyages, you can take part in our signature *Caviar in the Surf* Beach Party. And on *Marina Day*, enjoy watersports from your ship's unique retractable marina.

Of course, you may simply choose to find a quiet spot on deck to sit back, relax, and pass the time reflecting on the places you've been and anticipating what lies over the horizon. The possibilities are endless.
