We invite you to experience the pleasures of mid-size cruising. To step aboard a graceful ship and travel effortlessly to new discoveries. To feel the sun warm your face and a gracious smile warm your heart.

In public rooms comfortable furnishings, fresh flowers and a museum-quality collection of artwork and antiques create an inviting atmosphere in which to gather. And from the moment you arrive, you are welcomed as an honored friend would be in a fine private home.

Mid-sized ships

Naturally, this kind of personal service is a direct result of the size of our ships. We've purposefully designed ships that strike a balance: large enough to offer diverse amenities yet small enough to preserve a sophisticated ambiance.

For guests, the benefits are outsized:

Seven Continent Discovery

GRAND WORLD VOYAGE HIGHLIGHTS 2012

Imagine: the world as your canvas. What new experiences would you create? Designing the ultimate itinerary for well-seasoned travelers is the pleasure of our global expert, Captain Simon Douwes. For 2012, he's outdone himself once again.

Ayers Rock, Australia

Overnights on board

In the eight compelling ports listed below, we've planned extended stays. Not only do these overnights give you extra time to explore, they offer extra value as well, as the *ms Amsterdam* serves as your five-star hotel in the midst of some of the world's priciest real estate.

- Rio de Janeiro, Brazil
- Buenos Aires, Argentina
- Sydney, Australia
- Hong Kong, People's Republic of China
- Singapore, Republic of Singapore
- Mumbai (Bombay), India
- Piraeus (Athens), Greece
- Barcelona, Spain

The adventure begins as the *ms Amsterdam* sails out of **Ft. Lauderdale** and turns her sights south, heading for lush, beautiful **Dominica** and **Barbados**, rimmed by white sands.

Next, it's on to **Belém**, the Amazon's chief port, followed by canal-laced **Recife** and two full days each in **Rio de Janeiro** and **Buenos Aires**. Contrast samba to tango and soak up the exuberant ambiance of these world-class cities.

The mood turns dramatic as we enter the ice realm of **Antarctica** and begin three days of spectacular scenic cruising. Expect eerie floating icebergs, an island where Shackleton and his men staggered to shore, and pods of killer whales hunting dinner.

Rounding **Cape Horn**, we enter worlds of extreme beauty. Have your camera ready to capture Tierra del Fuego and the twisted peaks of Patagonia on optional excursions from **Ushuaia** and **Punta Arenas**. Or the magical realm of glaciers that comprise the **Chilean Fjords**.

What do the mysterious stone *moai* mean on **Easter Island**? The statues know, but they're not talking.

What follows is pure South Pacific paradise. Found — on the beaches of **Tahiti**, **Samoa** and **New Caledonia**. Here, too, are mariners' coups such as a day of scenic cruising **Pitcairn Island** and crossing the **International Date Line**.

Who can resist the prospect of an extended stay in sporty, sophisticated **Sydney**? Or three inimitable days cruising Australia's **Great Barrier Reef**? An overnight anchorage in this pristine UNESCO ecosystem . . . witnessing sunrise and sunset frame its islands — these are unforgettable moments.

Listen for the hypnotic sound of gamelan music underscoring the graceful pace of life in **Lembar**, on the Indonesia island of Lombok. And then it's on to shopping heaven, a.k.a. **Hong Kong**. Cameras, carpets, jade, electronics, pearls — all here.

En route to **Singapore** take in Vietnam's **Nha Trang**, blessed with beautiful beaches, then stroll wide boulevards lined with French Colonial architecture in bustling **Ho Chi Minh City**.

Phuket, Thailand's beach playground, is your destination for delicious pad thai; **Colombo's** Pettah Bazaar, on Sri Lanka, is the place to buy tea.

India. Exotic, chaotic, sensual and intense. Immerse yourself in the bustle of **Mangalore**, **Marmagao's** inviting seaside ambiance, and marvelous **Mumbai**. A tour to the Taj Mahal, perhaps? It's possible, thanks to our extended stay.

Safâga, on the Red Sea, is your chance to visit Luxor before sailing on for a morning's discovery of **Sharm el Sheikh**, followed by a passage through the **Suez Canal**.

The Parthenon crowns the Acropolis, welcoming you to **Athens**; the spirit of the games comes to life in **Katákolon (Olympia)**, **Greece**; and Italy enchants — as always — with an evening out in **Messina** to sample Sicilian food and a full day in **Naples** for pizza and Pompeii.

Last calls: sweet days to discover the island of **Corsica** and the exuberant architecture of **Barcelona**. To catch authentic flamenco in **Cádiz** and taste Madeira in **Funchal**. What luxury to have days at sea, then, to reflect on all you've experienced and spend time with fellow voyagers and new friends.

A toast to New Zealand

Warmed by strong, clear sunlight during the day and cooled by sea breezes at night, grapes in New Zealand produce distinctive, diverse wines — most notably, Sauvignon Blanc. Taste for yourself on an optional excursion from Picton to Marlborough Sounds' best-known wineries, whose vineyards are famed for producing crisp, intense wines that are the benchmark of New World Sauvignon. Here, too, is Napier, your gateway to the celebrated Hawke's Bay region of the North Island where Chardonnay reigns.

Scenic cruising: Fiordland National Park

Have your camera ready to capture breathtaking peaks and steep-sided fjords laced by waterfalls as we cruise through Fiordland National Park, a UNESCO World Heritage Site. You never know when a penguin or seal might pop up from the deep, cold waters of Milford Sound, while Doubtful Sound (so named because Captain Cook was unsure of its navigability) is home to bottlenose dolphins — unusual for these parts. Dusky Sound, New Zealand's longest fjord, rounds out the trio of beauties, a serene wild waterway marked by wooded isles and sheltered inlets.

SOUTH PACIFIC VOYAGES

Out and about in Auckland

Multicultural Auckland, one part Asia, one part Polynesia, 100% Kiwi, is set between two sparkling harbors — and indeed, this “City of Sails” boasts the greatest number of boats per capita of any city in the world. One, *Black Magic*, won the 1995 America's Cup. Head up to the top of Sky Tower (pictured) for breathtaking city views or peruse the impressive collection of Maori and Pacific Island artifacts in the Auckland Museum.

30-DAY ROUNDRIP FROM SAN DIEGO

What a breeze, sailing from San Diego to the isles of the South Pacific — without a single international flight. Come feel your heart pound to hula drums. Inhale the fragrance of plumeria. From familiar Hawaii to the remote Marquesas, island after island pokes its head above the sea, offering a new vision of paradise. Join us, on an itinerary unique to Holland America Line.

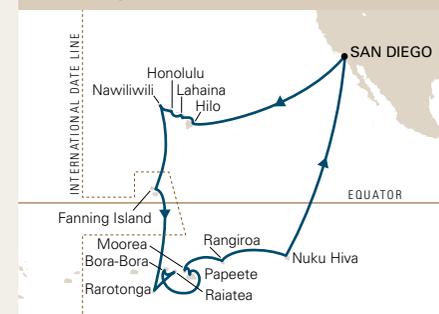

Bora-Bora, French Polynesia

What day is it?

We'll cross the International Date Line on this voyage twice. That's because this imaginary north/south line diverts to pass around island groups. To the east, the date is a day earlier.

Begin with a visit to Papeete's market brimming with tropical fruit, bark-cloth crafts and rainbow *pareos*. Farther afield lie small museums dedicated to Polynesian history and the life of Paul Gauguin, as well as fabled Tahitian landscapes — waterfalls, fern-lined sea caves, luxuriant tropical foliage and flowers.

Cruising the Great Barrier Reef

The Great Barrier Reef, a pristine ecosystem stretching some 1,600 miles and encompassing 2,800 catalogued reefs, is an astonishing UNESCO World Heritage Site. Highlights of our three days here: witnessing sunrise at Lizard Island ... cruising marine-rich "ribbons" of coral in the Ribbon Reef area ... an overnight anchorage off Sherrard Island. Not many experience Torres Strait and the Far North Region — and especially in daylight hours — but you will, cruising slowly through waters where the Reef begins.

As You Wish® dining

Flexibility is the essence of our As You Wish dining program. Whether you would prefer a five-course dinner in the main Dining Room; a quick, casual bite in the Lido before a show; the Italian ambiance and cuisine of Canaletto; or an intimate evening in our Pinnacle Grill, the choice is yours each day.

You may also indicate at booking whether you would prefer a traditional pre-set seating and dining time or the freedom each day to choose the time that suits you. Guests who opt for the latter may make reservations daily during their cruise, or simply arrive in the Dining Room anytime during dining hours, for accommodation by the Dining Room Manager.

**Cool beauty:
the Chilean Fjords**

Sailing the slim and luminous length of Chile, we enter a magical realm of islands, glaciers and snowy peaks known as the Chilean Fjords. Have your camera ready to capture the flight of a condor overhead or the glistening Amalia Glacier with its snout in the sea. As we navigate the Cockburn Channel, expect breathtaking views of Romanche, Alemania, Francia and Italia glaciers; and in the bountiful Beagle Channel, first charted by Charles Darwin, look for sea lion rookeries and Antarctic fur seals.

SOUTH AMERICA VOYAGES

Panama's rite of passage

Completed in 1914, the Panama Canal remains one of mankind's most audacious undertakings. You'll sense the courage and imagination it took on our day-long transit through three enormous sets of locks and as we thread through vast canyons and across broad lakes, all dug against enormous odds. It's 50 of the most fascinating miles in travel, and to illuminate it fully, Holland America Line's canal historian is on board to provide narration throughout the day.

Marveling at Machu Picchu

Hacking his way through the jungle, crawling on hands and knees "six inches at a time," Hiram Bingham came across one of the most important archaeological discoveries of the 20th century, the royal retreat of the Incas, Machu Picchu. Your own discovery of the site, an optional excursion from Callao, will take you through narrow lanes and roofless temples, up stone terraces and to sacred sites once graced by Pachacuti, the greatest Inca emperor of all.

The heart of the jungle

Far upriver, our extended stay in Manaus gives you the chance to experience Amazonian flora and fauna close up. Visit the Bosque da Ciencia, a research station working on reviving the Amazonian river manatee. Luck and river conditions permitting, a riverboat ride up the Rio Negro may reveal gigantic Victoria Regia water lilies, whose leaves measure three feet across. And to appreciate the jungle at night when it comes to life fully, take a night cruise on Lake January to listen to hoots, howls and calls; and look for alligators lurking in the dark waters.

Two for tango

Tango is emotion translated into dance. It was first expressed in the small cafés and brothels of Buenos Aires and continues to be identified with the city and its inhabitants today. The sensual choreography of tango really does take two, with the woman seducing and the man leading, protecting and supporting her through elaborate embraces and dramatic rests. Many new artists now practice this art in Buenos Aires, and to witness it performed in a local venue is an unforgettable highlight.

Robust Chilean reds

Chilean viticulture, a tradition 400 years in the making, boasts the perfect trilogy: a mild Mediterranean climate, perfectly balanced soil and premium rootstock originally brought from Europe by missionaries traveling with the conquistadors. Water sparingly with Andes snowmelt — just enough to stress the vines to achieve a longer hang-time and more concentrated flavors — and the result is some of the world's most celebrated wines: merlots, cabernets, chardonnays... and, of course, Pisco, the main ingredient in Chile's famous Pisco Sour cocktail.

An exhilarating introduction to Rio de Janeiro's infectious appeal, highlighted by an evening of dazzling samba.

2-NIGHT PRE-CRUISE TOUR

2011: Nov 20
2012: Feb 18

- 1 Rio** Arrive in the city the locals call *cidade maravilhosa* — "marvelous city" — with the day free to explore its elegant neighborhoods and lively beach districts. The glory of Rio is twofold: its friendly people and its spectacular setting. Luckily, you have time to discover both. Overnight Rio de Janeiro.
- 2 Rio/Samba** On a half-day tour of the city you will be treated to a cable car ride up Corcovado Mountain, crowned by Rio's trademark statue *Christ the Redeemer*, named one of the New Seven Wonders of the World in 2007. In the evening, a magnificent barbecue dinner at a churrascaria-style restaurant has been arranged, followed by a dazzling samba show. Overnight Rio de Janeiro.
- 3 Rio/Bon Voyage** A half-day guided tour of the city takes you by cable car up to the heights of Sugar Loaf Mountain for a sweeping view of the city and the bay before embarking your ship.

2-NIGHT POST-CRUISE TOUR*

2011: Nov 22
2012: Feb 20

The post-cruise tour follows the itinerary in reverse.

ADD TO YOUR CRUISE FARE	PRE & POST FROM
2011 Shared Double	us\$499
2011 Single Occupancy	699
2012 Shared Double	549
2012 Single Occupancy	799

- For post-cruise guests, rooms will be reserved until 4:00pm on the day of your departure.

Optional Vacation Package Inclusions:

All fares are in U.S. dollars and are subject to change. Fares are per person, double occupancy and include applicable room taxes, bellman gratuities and airport/hotel/ship transfers where applicable. Triple Occupancy fares available upon request. **A minimum number of guests may be required for a tour to operate.** Components of a tour itinerary may be operated in a different order than shown.

Holland America Line may substitute hotels of equal standard where necessary. Not all hotels can accommodate triples and quads, and when available may consist of two double beds and may not be suitable for three adults. Special requests such as smoking, king or double beds, etc., are at the discretion of the hotel and cannot be guaranteed.

Guests must carry a valid passport. We strongly recommend carrying a passport that is valid for six months beyond the completion date of your travel, as this is required by some countries. You are responsible for securing proper documentation for the countries visited in a pre- or post-cruise tour. Boarding may be denied or fines may be levied against those guests without proper documentation. Payment of any fines levied is the responsibility of the individual guest. Guests are responsible for incidentals and meals unless noted otherwise.

SHORE EXCURSIONS

GETTING MORE ASHORE

Why book tours with Holland America Line versus making your own arrangements ashore?

Quality & service

- Our tours offer a wide range of activities — something for everyone
- We use only professional English-speaking independent tour guides
- Expert advice offered on board with our Shore Excursions staff

Convenience, safety and peace of mind

- Maximize your time ashore — a local tour guide takes you straight to the highlights you want to see, avoiding wait times and having to negotiate an unfamiliar area
- Safety is of extreme importance to us and our tour operators
- We take steps to identify and contract with reputable tour operators. Tour operators must comply with local government requirements and carry liability insurance in amounts consistent with local standards to address personal injury and property damage
- Tour departure times coincide with the ship's schedule as well as other tours, enabling you to take multiple tours if desired
- You won't be left behind. In the very rare event that your tour is late and the ship must leave, we will arrange at our expense to get you to the next port of call. With independently booked tours, you are responsible for rejoining the ship at the next port of call.

> your best coverage worldwide

HOLLAND AMERICA LINE CANCELLATION PROTECTION PLANS

Four reasons ours is the best protection in the industry

1 YOU CAN CANCEL BEFORE DEPARTURE FOR ANY REASON.

Even if it's up to 24 hours before departure under our Standard Plan or right up to departure with our Platinum Plan. For any reason whatsoever, your reservation may be cancelled with ease.

2 YOU GET MONEY BACK.

Regardless of your reason for cancelling. Only Holland America Line refunds 80–90% of eligible amounts paid, FOR ANY REASON, as long as you cancel more than 24 hours prior to departure (right up to departure with the Platinum Plan).

3 SAME PRICE FOR ALL AGES.

We offer the same excellent protection for everyone, at the same cost.

4 COVERAGE FOR PRE-EXISTING CONDITIONS.

Our Standard and Platinum Plans cover pre-existing conditions without exclusions or “time limits.”

A small price for peace of mind

Holland America's Cancellation Protection Plan (CPP) is designed to protect your vacation investment from loss—no matter what. And like other plans that protect things of great value, it's a small price to pay for peace of mind. Be it illness, family matters, unforeseen work events—anything, CPP is your assurance that your vacation can be cancelled before you leave for any reason for a refund.

Our Standard and Platinum plans at a glance

Unforeseen events do happen, which is why Holland America Line is pleased to offer the best trip cancellation protection in the industry.

CPP Standard

CPP Standard allows you to cancel for any reason up to 24 hours prior to the cruise/cruisetour departure and receive a refund equal to 80% of the eligible amounts paid. Plus, Holland America Line assumes an additional us\$500 liability for lost, damaged or delayed baggage. Please note: The CPP Standard Plan is not insurance; for that, guests rely on the Platinum Plan.

CPP Platinum

Our Platinum Cancellation Protection Plan enables you to supplement the CPP Standard Plan with enhanced cancellation protection as well as insurance coverage and travel assistance services. For a nominal additional fee, you will receive:

- **Pre-departure trip cancellation** You may cancel for any reason prior to the scheduled cruise/cruisetour departure and receive reimbursement equal to 90% of the eligible amounts paid to Holland America.
- **Trip interruption protection** Covers the unused arrangements of your travel and additional traveling expenses to return home, up to 150% of the cruise/cruisetour cost for covered reasons.
- **Trip delay coverage** Reimbursement for accommodation and traveling expenses if your trip is delayed for covered reasons, up to us\$500.
- **Baggage protection** Holland America Line assumes an additional us\$1,000 of liability for lost or damaged baggage (us\$1,600 total) and an additional us\$500 for delayed baggage (us\$1,100) with the Platinum Plan.
- **Emergency medical expense** You will be reimbursed up to us\$10,000 in covered medical expenses for any illness or injury first occurring during your trip. In addition, necessary expenses of up to us\$50,000 for emergency medical evacuations and repatriations are covered. These are benefits that Medicare and many private insurance plans may not offer, and they are highly recommended for foreign travel.
- **24-hour emergency hotline assistance** Provides around-the-clock worldwide assistance for legal or medical referrals, lost travel documents, cash transfer or passport assistance.

Rest assured: Answers to Frequent Questions

If something comes up and I have to cancel, am I covered? Absolutely. You can cancel for any reason whatsoever by providing written cancellation notice up to 24 hours prior to the cruise/cruisetour departure with the Standard Plan (right up to departure with the Platinum Plan). What's more, you'll get a refund. Other programs may not refund cancellation fees if the reason for cancellation is not a “covered” claim.

Are my airfare and pre- and post-packages covered as well? Yes. If you purchased Holland America Line's Fly Cruise Plan and/or our pre-/post-packages, you'll get 80% of your air and package cancellation fees refunded when cancelling up to 24 hours prior to the cruise/cruisetour departure (90% with Platinum Plan when cancelling right up to departure).

If an emergency occurs during our trip, will I be able to see a doctor who speaks English? If you have purchased the Platinum Plan, you'll have access to a 24-hour hotline whose staff will refer you to qualified local doctors who speak your language.

I have a history of back trouble. What if my back goes out on the trip and we have to cut it short? There is no exclusion under the Platinum Plan for pre-existing conditions that cause a trip interruption. Compare that to other plans with long “wait” periods applying to pre-existing conditions.

Does the Platinum Plan cover me if I am injured on shore? Absolutely! You'll be reimbursed up to us\$10,000 for covered emergency medical, surgical and dental care should you become sick or are accidentally injured while traveling.

Cancellation Protection Plan and Additional Baggage Protection

CPP Standard Plan

Our Standard Cancellation Protection Plan (CPP Standard Plan) will allow you, for any reason, to provide written cancellation up to 24 hours prior to scheduled cruise or cruisetour departure and receive a refund equal to 80% of the eligible amounts paid (90% if you purchased our CPP Platinum Plan). In addition, Holland America Line (HAL) automatically assumes an additional us\$500 of liability for lost, damaged or delayed baggage for guests who purchase the CPP Standard Plan, still subject, however, to the limitations in our baggage policies. For example, we do not cover losses while baggage is in the custody of airlines. The baggage policies of HAL are explained in detail on page 115 in this brochure.

The CPP Standard Plan is not insurance; it provides no rights other than those explained above. For example, it does not protect double-triple-quad occupancy rates should one or more members of your party cancel, nor does it cover expenses or unused services due to trip interruption.

CPP Platinum Plan

Our Platinum Cancellation Protection Plan (CPP Platinum Plan) enables you to supplement the CPP Standard Plan with insurance coverage and travel assistance services as well as increase your refund amount to 90% for cancellations made right up to the cruise/cruisetour departure. The CPP Platinum Plan provides you with the following insurance benefits and services, in addition to the CPP Standard Plan benefits and larger refund:

- Trip Cancellation coverage provides protection if you must cancel for any reason prior to scheduled departure.
- Trip Interruption coverage provides protection if your trip is interrupted after departure due to a covered reason. The plan reimburses your unused (determined in the case of your cruise or cruisetour on a

pro rata basis), non-refundable land or sea expenses prepaid to HAL and airfare paid to return home. Maximum benefit is 150% of your cruise/cruisetour cost.

- Trip Delay coverage provides reimbursement for reasonable additional accommodation and traveling expenses incurred to either return home or rejoin the trip in progress when you are delayed due to covered reasons. Maximum benefit is us\$500.
- The CPP Platinum Plan also provides an additional \$1,000 in coverage if your baggage is lost, stolen or damaged, and an additional \$500 if your baggage is delayed by a common carrier.
- Emergency Evacuation and Repatriation coverage will pay the necessary costs of transportation, medical services and medical supplies if, due to a covered medical reason, you must be transported to medical facilities during your cruise or cruisetour. Maximum benefit is us\$50,000.

- Medical Expense coverage reimburses up to us\$10,000 for medical and emergency dental expenses incurred during your trip as a result of a covered injury or sickness that first manifests itself during your cruise or cruisetour.

- You will also receive the following 24-Hour Emergency Hotline Assistance Services, arranged by the CPP Platinum Plan administrator's designated provider: Emergency Cash Transfer Assistance, Medical Consultation and Monitoring, Emergency Legal Assistance, Emergency Medical and Dental Assistance, Lost Travel Document Assistance and Emergency Medical Payment Assistance.

There are no pre-existing condition limitations in the CPP Standard and Platinum plans!

Important note: This is a summary of coverage. Please refer to the Plan Description available at www.hollandamerica.com which contains the details of assistance services and insurance coverage, terms, conditions, exclusions and other applicable limitations. The CPP Platinum Plan is only available for U.S. and Canadian residents. The CPP Standard and CPP Platinum plans are optional, must be purchased prior to the date on which cancellation fees begin to accrue, and are non-refundable. The per-person, per-cruise costs for both plans are listed at left.

Except for Trip Cancellation, which is reimbursable by Holland America Line, the insurance coverage provided under the CPP Platinum Plan is underwritten by Virginia Surety Company, Inc., under policy number HTP04195. This plan was designed and is administered by BerkelyCareSM. IN CALIFORNIA: BerkelyCareSM is a service mark of Aon Direct Insurance Administrators, CA Insurance License #0795465. IN ALL OTHER STATES: BerkelyCareSM is a division of Affinity Insurance Services, Inc. in all states other than CA, except: AIS Affinity Insurance Agency, Inc. in MN and OK and AIS Affinity Insurance Agency in NY.

The Standard and Platinum Cancellation Protection plans are optional and must be purchased prior to the date on which cancellation fees begin to accrue. See page 114 for further information about our Cancellation Policy. Payment for the plan is due at time of purchase and is non-refundable. Trip cancellation protection is effective for any reason up to 24 hours prior to the cruise/cruisetour departure under the Standard Plan and right up to the departure under the Platinum Plan. All other benefits of the Platinum Plan are effective upon departure of your trip.

Standard Cancellation Protection Plan does not incorporate any insurance coverage. The sole benefit is to provide Trip Cancellation protection up to 24 hours prior to departure for the individual guest purchasing the plan.

Holland America Line Inc.

Seattle, WA 98119

Email: airsea_web_airplus@hollandamerica.com

Or call: 1-800-628-4771

Requests should be submitted prior to final payment in order to assure proper consideration. Guests who request specific routes or flights may be subject to additional air costs based on available space and fares. All requests are subject to availability and are not guaranteed. If confirmation is possible, a US\$75 non-refundable service charge and additional airline costs incurred will be assessed. A service charge will be assessed for each additional request that is confirmed.

Book Early

The availability of our pre-arranged air rates may be limited. Therefore, it is advantageous for you to book your vacation as early as possible. We reserve the right to limit or close sales from cities without notice.

Guests traveling with other guests who originate from different cities or who request the Fly Cruise Plan at different times may not receive routings on the same flights.

Government-issued Identification

For security reasons, first and last names on an air booking must match the government-issued identification used for boarding. For guests with Holland America Line's Fly Cruise plan, spelling corrections or name changes may result in a higher air rate, loss of space and/or change fees. Visit www.tsa.gov for more details.

Seat Assignments/Special Requests

Holland America Line requests seat assignments at the time flights are confirmed, based on the seats available through the airline's reservation system. Please call our AirSea department for specific seat requests. Some airlines or charter operators do not offer advance seat assignments.

Please contact each airline directly to request meals, oxygen, wheelchair or other airport assistance.

Air Schedule Changes

Due to potential last-minute schedule changes, we recommend contacting the airlines directly, prior to travel, to reconfirm your flights. If schedule changes occur after tickets are issued, we may adjust your itinerary or air carriers accordingly.

Air Rates/Air Taxes/Fees

Air rates will be quoted at the time of booking and are subject to change until the booking is paid in full. Quoted rates do not include Passenger Facility Charges (US\$3–27), Canadian airport improvement fees (up to a maximum of US\$60), federal flight segment fees for each flight segment (takeoff and landing) of US\$3.70, the September 11 Security Fee of US\$2.50 per guest enplanement (up to a maximum of US\$10) and international arrival and departure taxes (US\$3–100). Air rates do not include local customs, departure or other taxes that may be collected directly from you by applicable government authorities. Baggage fees and other charges may be directly assessed by airlines or airports. Once you are notified of your flight details, please contact your airlines.

Liability and Relation with Airlines

We reserve the right to use the carriers, routing and fare structure of our choice, and to utilize commuter and/or charter air service without prior notice. As the air rates we use are based on capacity-controlled, promotional and group fares, we may limit or close sales without prior notice at any time. If, due to any cause beyond our control, we are unable to arrange for air travel or the air travel we arrange is unavailable or otherwise fails to materialize, our liability will be limited to refunding the air add-on amount paid to us. We assume no liability for any acts or omissions of any airline, including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline's ticket and tariffs.

Air Changes/Refunds

Changes to existing reservations initiated by guests will result in a rescheduling charge of a minimum of US\$100 per guest if the changes are made after the final payment due date. Airline tickets are based on fares which are highly restrictive and often cannot be reissued or exchanged for another carrier or routing.

The maximum refund for unused air tickets will not exceed the air add-on paid to us. There are no partial refunds. Due to changing airline tariffs, your tickets may reflect fares higher or lower than our air add-on amounts. The difference is neither chargeable nor refundable.

Baggage

Baggage allowance is governed by airline regulations. Baggage charges are the responsibility of the passenger. Please check with your carrier as to the current charges. We assume no responsibility for loss, damage or delay while baggage is in the custody of airlines.

Overnight Hotel Accommodations

It may be necessary to overnight guests en route to or from their cruise due to airline

schedules and/or availability. If necessary, the cost of hotel accommodations is not included in the air add-on amounts. Hotels will be selected by Holland America Line and may not be at the port of (dis)embarkation. Guests are responsible for hotel accommodations, meals and items of a personal nature.

Transfers

Transfers may be purchased from the port city airport to the ship and from the ship to the port city airport on day of sailing only. Transfers are available to Fly Cruise guests and to guests who have independent flight plans. Guests purchasing transfers with independent flight arrangements must advise Holland America Line of this information at least 14 days prior to departure. Unused transfers are not refundable.

Cruise-only Guests

We recommend that you schedule a minimum of four hours both at the beginning and end of your cruise to allow for transfers, customs clearance and airport security checks.

Note: If you purchase air transportation independently from Holland America Line, you will be responsible for any and all expenses incurred when joining the vessel in progress.

Wireless at Sea

Mobile phone service

Holland America Line lets you take advantage of your wireless devices while at sea. Using your own mobile phone and telephone number, you can make and receive calls to and from fellow travelers who are on the ship, and friends and family who are far away on land. If you currently have the service through your home provider, you can also send and receive text messages.

Other available wireless services include use of mobile devices, such as your BlackBerry®.

Using this advanced technology on board is easy and convenient.

Check with your service provider for details on your rate plan.

Reservations

Travel agencies provide valuable service and counseling to prospective travelers. We encourage you to make your Holland America reservations with a travel professional. Travel agencies are not owned or controlled by Holland America Line. Your deposits and payments for Holland America's services are to be paid to the travel agency with which you made your reservations. Since accommodations are limited by the number of staterooms on each ship, reservations should be made as early as possible. Travel documents will be issued only if and when full payment has been received by Holland America Line from the travel agency. Refunds for cancelled or unused services will normally be made to the same travel agency on the basis of the amount actually received by Holland America Line less any applicable cancellation fees and charges. You are responsible for obtaining from your travel agency monies either retained by the agency or received by the agency from Holland America Line. For further information visit our website at www.hollandamerica.com or call 1-877-SAIL HAL. Guests under 21 years of age must be accompanied by a parent, guardian or chaperone who is at least 21 years of age or older. One adult chaperone is required for every five people under age 21.

Deposit and Final Payment Requirements

A deposit is required at the time of cruise booking. A second deposit is required for all Grand Voyages. Cancellation Protection Plan, if desired, must be purchased prior to the date on which cancellation fees begin to accrue; see Cancellation Protection Plan and Additional Baggage Protection for details on page 111.

Final payment is due 90 days prior to departure. Once final payment is received and online check-in and immigration questionnaire is completed, travel documents will be available approximately 30 to 50 days prior to your voyage date.

Travel professionals should make checks payable and send to:

Holland America Line Inc.
Attn: Cash Applications
300 Elliott Avenue West
Seattle, WA 98119
U.S.A.

Payment by Holland America Line Rewards VISA®, MasterCard®, American Express®, VISA® or Discover® card is also accepted.

For faster processing, please include a confirmation number on your check. Travel professionals please note that MCOs will not be accepted.

Upgrade Policy

Holland America Line reserves the right to upgrade a guest or guests to more expensive category accommodations at no additional cost.

Change Charges

To cover administrative costs, a per-person charge will be made if you request a change in your travel arrangements after Cancellation penalty fees commence; see Cancellation Policy below. Change charges are not assessed for stateroom upgrades or for the addition of services, unless air reservations are altered and/or travel documents must be reissued.

Cancellation Policy

A full refund (except for amounts paid for CPP) will be made for written cancellations received by Holland America Line, 300 Elliott Avenue West, Seattle, WA 98119, prior to the date on which you are to commence travel by air, rail, sea or otherwise in accordance with the following Cancellation Policy. Cancellation fees apply to the entire cruise booking, including cruise fare, air add-ons, ground transfers, pre-cruise and post-cruise hotel and tour packages. Guests who cancel within the dates shown below for any reason, including medical or family reasons, are subject to the following per-person cancellation fees:

Grand World, Grand Voyages, any Segment of a Grand World or Grand Voyage, 15- to 60-day Hawaii & Polynesia, Incan Empires, Amazon Explorer sailings

120–91 days before commencing travel: an amount equal to deposit requirement;

90–76 days before commencing travel: 60% of gross fare;

75 days or less before commencing travel: 100% of gross fare.

South America, South Pacific, Antarctica, Asia, Australia/ New Zealand and Holiday Sailings

90–64 days before commencing travel: an amount equal to deposit requirement;

63–43 days before commencing travel: 50% of gross fare;

42–22 days before commencing travel: 75% of gross fare;

21 days or less before commencing travel: 100% of gross fare.

Given that the resale of cancelled space will likely result in a lost opportunity to sell other space, these fees are due regardless of resale. Fees incurred as a result of cancellation cannot be applied to future bookings. Refunds will normally be made to your travel professional. Travel professionals may impose their own cancellation fees. Agency fees of any nature are a matter to be decided on solely by the agency and guests.

Name changes require the prior approval of Holland America Line and may not always be possible. Cruise contracts are nontransferable. Name changes and departure date changes are considered reservation cancellations and are subject to cancellation fees.

Cruise Fares

Traveling with Holland America Line is one of the best vacation values around. Your cruise fare includes accommodations aboard an elegant Holland America cruise ship, most meals and entertainment on board ship. Not included are items of a personal nature or optional programs or optional activities, such as alcoholic beverages, soft drinks, laundry and dry cleaning, shore excursions, medical, barber and beauty shop services. All fares are per person in U.S. dollars.

Hotel Service Charge

Our crew works very hard to make sure that every aspect of your cruise meets the highest standards. This includes those crew members who serve you directly, such as dining room wait staff and the stewards who service your stateroom each day. There are also many others who support their efforts whom you may never meet, such as galley and laundry staff. To ensure that the efforts of all of our crew members are recognized and rewarded, a daily Hotel Service Charge is automatically added to each guest's shipboard account. At the time of printing, the Hotel Service Charge is US\$11 per guest, per day and is subject to change without notice. If our service exceeds or fails to meet your expectations, you are free to adjust this amount at the end of the cruise. The Hotel Service Charge is paid to Holland America Line crew members and represents an important part of their compensation. A 15% service charge is automatically added to bar charges and dining room wine purchases.

In terminals, airports, ports of call and on shore excursions, we suggest that you extend gratuities consistent with customary local practices.

Fares, Taxes and Surcharges

Holland America Line reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic or clerical error. Fares quoted in this brochure are those in effect at the time of printing. If cost factors dictate the need for fare increases, Holland America Line may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. This right does not apply to increases in Taxes or to surcharges, as described below. In addition to your cruise fare, you will also be charged an amount for Taxes. That term, as used by Holland America Line, refers to certain taxes, fees and charges imposed by governmental or quasi-governmental authorities, including port authorities and operators, relating to any aspect of your cruise or tour. If governmental action results in any element of Taxes exceeding the estimates used by Holland America Line for purposes of computing the quoted amount, we reserve the right to pass through the extra amount. Similarly, Holland America Line reserves the right to impose or pass through fuel supplements and surcharges, security surcharges or similar incidental surcharges.

No right of cancellation exists under either of these circumstances. **Holland America Line reserves the right to re-instate the fuel supplement for all guests up to us\$9 per person per day if the price of light sweet crude on the New York Mercantile Exchange (NYMEX) exceeds us\$70 per barrel. Please consult our website for current information.**

Guests with Disabilities

We do not discriminate against persons on the basis of disability. We seek, to the extent feasible, to accommodate the needs of persons with disabilities. We have a limited number of staterooms designed for wheelchair access. Service animals are permitted on board ships if prior arrangements have been made. Certain land and shore facilities may not be fully accessible to persons with disabilities. While Holland America Line endeavors to contract with companies which provide accessible services and facilities, we cannot guarantee that all services and facilities will be fully accessible. In limited situations where an individual with a disability would be unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services, we may find it necessary to ask the individual to make alternative travel arrangements. We must be notified of any special medical, physical or other requirements of guests at the time of booking. Please contact our Access and Compliance Department via email at halw_access@hollandamerica.com, via fax at 1-800-577-1731 or via TTY at 1-800-254-8669.

Medical Services/Infants/ Pregnancy

Each of our ships is equipped with limited medical facilities that are staffed by a physician and registered nurses. The physician is an independent contractor. There will be a fee charged for all medical services and medications obtained on board. If you become ill during the cruise and the physician is unable to care for your needs on board, you will be transferred to medical facilities on shore. If your condition will require that you have special medical apparatus or assistance on board, we must be made aware of that at time of booking in order to determine whether we can accommodate your needs. If you are using prescription drugs, please bring an adequate supply with you and keep them in your carry-on luggage. We will not accept reservations for infants 6 months or younger for non-transoceanic sailings, 12 months or younger for transoceanic sailings at the time cruise commences or women who will be 24 or more weeks pregnant at the time their cruise with Holland America Line concludes.

Passports/Visas/Immunizations

All guests must carry their valid passports. We strongly recommend carrying a passport that is valid for at least six months beyond the completion date of your travel, as this is required by some countries. In addition, certain countries may require entry visas. **You are responsible for securing proper documentation for the countries visited on your cruise or land tour.** Boarding may be denied or fines may be levied against those guests without proper documentation. Payment of any fines levied is the responsibility of the individual guest. Information on visas may be obtained by contacting Zierer Visa Service at 1-866-788-1100 or sending an email to info@zvs.com. Non-U.S. citizens who have

previously been admitted to the United States for permanent residence must carry their Permanent Resident Card (Form I-551), commonly known as a Green Card.

Please note that some countries have special requirements for minors (under age 18) who are not traveling with both parents. Please discuss this with your travel professional. Furthermore, visiting certain countries may require that you be inoculated prior to leaving the U.S. Please check with a travel medicine specialist or local health department for specific recommendations and/or requirements.

Baggage Policy

Holland America Line will carry as baggage only your personal effects for your wearing, comfort or convenience during your travel with Holland America Line. Your baggage needs to be placed in securely constructed and locked suitcases or trunks. If your travel includes a land component, you are limited to two pieces of checked baggage and one overnight or light flight bag which must remain in your custody at all times.

Holland America Line does not assume any liability for loss of or damage to or delay of perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gold, silver or similar valuables, securities, financial instruments, records or other valuable or business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or other electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes or CDs. These items should not be left lying about the ship or your stateroom, nor should they be left unattended on other vessels, railcars or other vehicles or in hotels, nor placed in luggage other than the bag you carry with you. In addition, Holland America Line will not assume any liability for any loss of or damage to carry-on baggage left unattended on the ship or on other modes of transportation or in hotels. Holland America's ships provide, at no extra charge, either safe-deposit boxes in the ship's Front Office or stateroom safes. Certain hotels may also provide similar facilities. Your use of safe-deposit boxes, stateroom safes or similar facilities will not increase Holland America's liability as described below.

Holland America Line cannot be responsible for any loss, delay or damage that occurs before baggage comes into Holland America's actual custody when you begin your travel with us or after baggage leaves Holland America's actual custody at the end of your travel with us. In particular, please note that we assume no responsibility for loss, damage or delay while baggage is in the custody of airlines.

If Holland America Line, due to any cause whatsoever, is liable for loss of, damage to or delay of your property, the amount of Holland America's liability will not exceed US\$100 (US\$600 for guests who have purchased the Cancellation Protection Standard Plan) unless you have specified to Holland America Line in writing the true value of your property and paid to Holland America Line before departure 1% of the value in excess of US\$100 or US\$600, as applicable. In that event, Holland America Line's liability will be limited to the amount so specified. Guests who have purchased the Platinum Plan will be covered for an additional \$1,000 for lost or damaged baggage (US\$1,600 total).
