CELEBRITY SOLSTICE CLASS
AND CELEBRITY MILLENNIUM CLASS"**

— Frommer's Cruises & Ports of Call

CELEBRITY SOLSTICE® CLASS

Celebrity Eclipse® Celebrity EquinoxSM
 Celebrity ReflectionSM Celebrity SilhouetteSM
 Celebrity Solstice

Experience the apex of style — hailed as a “new benchmark in cruise ship design” by the International Interior Design Association, where design and innovation come together as never before. With Celebrity Solstice, Celebrity Equinox, Celebrity Eclipse and Celebrity Silhouette already sailing, and Celebrity Reflection launching in 2012, there are now five of these spectacular ships. World-class architects and designers have elevated style to high design, surrounding you with unexpected wonders at every turn. From The Lawn Club — a half-acre of real grass designed for random acts of relaxation, 10 spectacular dining options to The Hot Glass Show^{SM*} — a live glassblowing studio — and AquaClass®, an entirely new class of stateroom, this is one class of ships you have to see to believe.

CELEBRITY MILLENNIUM® CLASS

Celebrity Constellation® Celebrity Infinity®
 Celebrity Millennium Celebrity Summit®

Just as our award-winning Celebrity Solstice Class ships have created a new benchmark in cruise ship design, we have now infused that very essence into our most cherished class of ships — the Celebrity Millennium Class — with the revitalization of Celebrity Constellation, Celebrity Infinity, Celebrity Millennium and Celebrity Summit. From the moment you enter the new AquaClass staterooms^{**}, dine in Blu^{**}, specially designed for AquaClass guests, or you sip your favorite vodka at the ultra-cool, ice-topped Martini Bar — you'll feel the amazing transformation. And you won't want to miss Qsine® — Uniquely UnordinarySM, the new specialty restaurant designed to elevate dining to performance art.

The Celebrity fleet of 11 exquisite ships is beyond compare. We set the standards for cruise ships, and then outdo even ourselves time and time again with spectacular new designs, magnificent details and unique spaces unlike any other ships at sea. We think how you travel on your vacation should be just as awe-inspiring as where you arrive. That's modern luxurySM.

* Available on Celebrity Eclipse, Celebrity Equinox and Celebrity Solstice only.

Be sure to linger over a meal at Murano, where you'll be transported to an Italian piazza, with many of your selections prepared right at your reserved table, making dining a truly spectacular event.

CELEBRITY XPEDITION®

Designed not just for travel but for exploration, this 96-guest mega-yacht sails to the Galapagos Islands, one of the world's last pristine environments, seven days a week, 365 days a year. Outfitted to cater to the needs and desires of our adventurous guests. Our over-the-top service goes all the way to your room. Exploring the world takes a lot out of you. So when it came to designing the perfect place for you to rejuvenate, we sought the advice of our "Five Leading LadiesSM" — a frequent cruiser, a travel agent, a travel writer, a hotelier and a potential cruiser — who shared with us their ideas about comfort, travel and style. The result is staterooms and suites that welcome you in with forward-thinking design and tempt you with private verandas and breathtaking views. You'll find plush towels and robes, exquisite custom bath products, and the luxury of 24-hour room service. And your own interactive flat screen TV doubles as your private connection to the ship so you can check your bill and reserve shore excursions. Here, your room key is also the key to the good life.
